Subject: Sunday email

Here are potential items for your Sunday email to Gina and Stan.

Animas Spill --

Tribal Lands & Environment Forum (TLEF) -- On August 17 - 19, Nitin and I will participate in the TLEF, hosted by the Institute for Tribal Environmental Professionals in Minneapolis, Minnesota. OSWER and the Office of Water co-sponsor the TLEF. I will be a plenary session speaker and also participate in sessions on crude oil, chemical facility safety, and issues on waste management in Indian country. I anticipate there being questions related to the Animas spill. I will also be meeting with representatives of Minneapolis about brownfields and participating in a tour of some of the city's brownfield sites.

Environmental Workforce Development and Job Training (EWDJT) – On August 20, I will participate in this annual meeting of the brownfields EWDJT grantees in Alexandria, VA. This will be the largest number of grantees to attend the annual grantee meeting to date.
